

TRANSFORM THE WAY YOU RIDE

Two wheels, two motors, no gas, no noise. UbcO will redefine how you work and play outdoors.

Electric drive

Whisper quiet

All-terrain performance

Light weight, strong build

Portable power

Easy to Accessorise

With its lightweight frame and powerful, near silent motors, the UbcO 2x2 gives you complete control for all your off-road adventures.

Owning any terrain where rubber meets dirt, the UbcO 2x2 gives you the power to go. The 40Ah Lithium-Ion battery not only fuels the bike; it powers all your tools from your phone to your drill (at the same time).

Cart your gear from job to job with ease. Adapt the bike as you need it with clever accessory lugs located across the bike.

The dual electric drive is smooth, ultra-quiet, and low maintenance; it can go through trenches, up hills, and down bush tracks without a second thought.

Start your 2x2 adventure today.
